Mysore, Bangalore.

Sir,

I have the honour to forward, herewith, an extract from the proceedings of the first meeting of the Standing Advisory Committee of Co-operators held on 23-6-1941 in the matter of the proposal to amend clause (i) of Rule 14 of the Mysore Co-operative Societies Rules and to request that for reasons mentioned in the proceedings, Rule 14 (i) may be amended as follows:-

Existing 14 (i) Every member of a society may nominate a person to whom or to whose credit the sum specified in section 22 of the Act shall be paid or transferred on the death of such member.

Proposed [14 (i) Every member of a society may nominate a person to whom under sub-section (i) of section 22 of the Act, his share or interest may be transferred or the value thereof and any sum payable under sub-section (2) of the said section may be paid.]

I have the honour to be,
Sir,
Your most obedient servant,

Registrar.

proceedings of the
Extract from the first meeting of the Standing Advisory Committee of Co-operators held on 23-6-1941.

8.Subject No.3.- Proposal to amend clause (1) of Rule 14 as follows:-

"Every member of a society may nominate a person to whom under sub-section (1) of section 22 of the Act, his share or interest may be transferred or the value thereof or any sum payable under sub-section (2) of the said section may be paid."

The Registrar explained the necessity for the amendment and stated that Section 22 (1) of the Act permits of the transfer of the share to the nominee, or heir or legal representative but under Rule 14 (1) this is restricted to the payment of the sum (value of the share) to the nominee or the transfer of the sum to the credit of the nominee and there is no option to the society, the word used being "shall" and that it was desirable to provide for the transfer of the share to the nominee in case he is desirous of becoming a member and the society is willing to admit him as a member.

Mr. Vasudeva Murthi said that transfer could be made only to a member and not to the nominee if he were not a member, that minors could not be admitted as members and that they are legally incompetent to accept the transfer. Thereupon the Secretary read sections 14 and 22 of the Act ~~and stated that sections 14 and 22 of the Act~~ and stated that section 14 refers to transfers "inter vivos", while section 22 refers to transfers by succession. The Secretary also read an extract from the Government of India Circular No.13-C dated 9th March 1912:"Though applicants for registration must be over the age of 18 years, the maintenance of this qualification among members after registration is not expressly provided for and the question of the relations of a society to the minor heirs of deceased members is, subject to the provisions of section 22, left to the operation of the ordinary law"

10. Mr. Jayathirthachar said that as the word used in the proposed amendment is "may" and not 'Shall' as in the existing rule,

P.T.O

rule, the amendment may be approved by the committee. This was agreed to.
